

SHARE HEALTH SCHOLARSHIP FOR TRADITIONAL STUDENTS

The Share Health Southeast Georgia Scholarship Fund was created to provide annual scholarships to graduating seniors from high schools and home schools in the 16-county region of the Southeast Health District who show an interest in pursuing a career in healthcare.

Share Health Southeast Georgia is dedicated to improving the health of all generations in our sixteen-county community by cultivating partnerships and providing philanthropic and advocacy support to the Southeast Health District. This scholarship program is an opportunity to further Share Health's mission and to recruit and retain the public health workforce in rural Southeast Georgia.
